

# Transfer Students

---

**UW-Green Bay Transfer website:** <http://www.uwgb.edu/transfer/>

## Credit Evaluation

Transfer students will receive an official credit evaluation after admission to UW-Green Bay. The accreditation status of the previous institution(s) attended and the quality of student achievement are factors for determining course and credit transferability.

Credit evaluations will be started after all transcripts have arrived at UW-Green Bay and the student has been admitted. If a student is enrolled at another college when accepted at UW-Green Bay, a tentative evaluation will be completed and sent; the final evaluation will be held until a final transcript showing grades from the last term is received. Credit evaluations will be e-mailed directly to the UW-Green Bay student e-mail address.

## General Education Requirements

A student who transfers to UW-Green Bay must satisfy UW-Green Bay General Education requirements by completing or transferring courses which meet the UW-Green Bay General Education requirements that are in effect at the time of enrollment. Current UW-Green Bay General Education information can be found at <http://www.uwgb.edu/liberal-arts/general-ed/>.

Students who transfer to UW-Green Bay from a University of Wisconsin Colleges two-year campus after earning the Associate of Arts and Sciences degree (degree earned 1991 to present only) will be considered to have fulfilled UW-Green Bay's General Education requirements and will then be required to complete all degree and graduation requirements including the senior capstone requirement.

## Transferable Coursework

In order to be credited as transferable coursework, the course must be successfully ("D" grade or better) completed at an accredited college or university where the accreditation is recognized by the Council for Higher Education Accreditation (CHEA).
