

# Environmental Science Minors

- Environmental Science
- International Environmental Studies

## Environmental Science

The application of scientific principles to resource management form the core of the minor. An Environmental Science minor is particularly appropriate in combination with a major in one of the sciences or Mathematics.

Code	Title	Credits
<b>Supporting Courses</b> <sup>1</sup>		<b>7</b>
ENV SCI 102	Introduction to Environmental Sciences	
MATH 260	Introductory Statistics	
<b>Upper-Level Courses</b>		<b>12</b>
