Data Science Certificate

The Graduate Certificate in Data Science will serve as an additional and early credential for MS-DS degree-seeking students as well as a freestanding certificate program for non-degree (i.e. certificate-only) students who may or may not elect to pursue the full MS-DS degree following completion of the certificate.

This program will help working professionals like management analysts, computer and information research scientists, statisticians, database administrators, computer systems analysts, market research analysts, marketing specialists and others who require increased competency in this specialty area.
