

Marketing

(Bachelor of Business Administration)

The Marketing major in UW-Green Bay's Cofrin School of Business provides students with in-depth knowledge in marketing through a rigorous curriculum with courses covering a wide range of topics, such as digital marketing, international marketing, sales, consumer behavior, social media marketing, advertising, and marketing strategy.

The program provides considerable exposure to the liberal arts and develops the critical thinking, problem-solving, interpersonal, communication, quantitative and computer skills needed by graduates to successfully serve as leaders within modern organizations. The program also addresses contemporary organizational issues such as global competition, social responsibility and ethics, sustainability, and the relationship between organizations and various environmental forces.

In the marketing major students start by taking general education and introductory-level business courses. Additionally, students take courses that provide an overall understanding of business, such as the basics of Marketing, Accounting, Human Resources, Management and Finance among others. Finally, students take marketing-specific upper-level courses and complete a capstone course, prior to applying for graduation.

The Marketing faculty are experts in their field who use a variety of pedagogical practices and connect the classroom to the real-world. Students are also encouraged to complete internships for credit.

Entrance and Exit Requirements

Students can declare a Marketing major at any time with any number of credits through a simple online process. To declare, students must complete an online Declaration of Major/Minor/Certificate e-form (<https://www.uwgb.edu/registrar/forms-petitions/declaration-swap-forms/>), which includes reading and accepting an Honor Code (pre-declaration form). Your advisor will be assigned to you after the e-form is received.

Students must maintain a cumulative GPA of 2.5 to proceed in the course progression. All students must meet this exit requirement to graduate. Students intending to graduate with this major must have a minimum 2.5 cumulative grade point average.

Major

Code	Title	Credits
