

Analytics and Technology Certificate

The Certificate in Supply Chain Management Analytics and Technology equips professionals with advanced analytical and technological skills critical for modern supply chain and logistics management. The program consists of one core course and two electives, focusing on data analytics, the role of information technology in various business functions, and advanced ERP systems. It prepares participants to make data-driven decisions, manage supply chain processes efficiently, and apply technology solutions across operations. This certificate is ideal for those seeking career advancement in supply chain management, with courses taught by experienced professionals and opportunities to tailor learning to individual career goals.

Code	Title	Credits
Required:		
SCM 706	Supply Chain and Operation Analytics	3
BUSAN 570	Data Science for Managers	3
BUSAN 635	Foundations of Strategic Information Management	3
Total Credits		9

Admission Requirements

- Bachelor's degree from a regionally accredited institution, including at least one General Biology course with lab.
- 3.0 grade point average. Applicants with a GPA of less than 3.0 may be considered for provisional admission

How to Apply as a Graduate Special Student (non-degree seeking):

- UW System Application for Graduate Special Status: apply.wisconsin.edu
- Official transcript showing proof of a bachelor's degree sent to UWGB Admissions at uwgb@uwgb.edu directly from the institution that issued the degree. Note: students who completed their bachelors at UWGB do not have to submit official transcripts.
- International students will also need to provide the following documentation:
 - A test of English proficiency (TOEFL or IELTS)
 - Course-by-course transcript evaluation from a professional evaluation service currently recognized by NACES (<https://www.naces.org/>). UWGB recommends one of the following evaluation services:
 - Educational Credential Evaluators (ECE) (<https://www.ece.org/>)
 - World Education Services (WES) (<https://www.wes.org/>)

How to Apply as a Current, UWGB Degree Seeking Graduate Student:

- Graduate Certificate Declare Form (<https://www.uwgb.edu/graduate/student-resources/forms/>)

Progress to Completion

1. The candidate applies to the Supply Chain Management Certificate program option (Planning & Logistics, Sourcing & Production, or Analytics & Technology) by submitting the appropriate materials.
2. The candidate is admitted to the Supply Chain Management Certificate program option (Planning & Logistics, Sourcing & Production, or Analytics & Technology) by the Master of Supply Chain Management applicant review board.
3. Student fulfills the program course requirements.
4. Students completing a graduate degree program at UWGB will have the certificate posted to their transcripts upon conferral of their graduate degree.
5. Students not completing a graduate degree may request certificate verification from the Office of Graduate Studies at gradstu@uwgb.edu.
6. Completion of certificate credits can be applied towards progression into the Master of Science in Supply Chain Management degree
