

# Quality Assurance and Compliance in Biotechnology Certificate

---

The Quality Assurance and Compliance in Biotechnology Graduate Certificate will provide MS ABT program degree seeking students relevant training in ensuring quality standards are met, from discovery to production and will focus on quality control and validation in product design, development, and manufacturing. Additional emphasis will be placed on examining key regulatory agencies and practices within the highly regulated and innovative biotechnology industry. The curriculum consists of three, three-credit, 100% online courses as part of the MS Applied Biotechnology degree.

Code	Title	Credits
<b>Graduate Certificate</b>		<b>9</b>
Required:		
ABT 735	Quality Control and Validation	
ABT 740	Regulatory Practice and Compliance	
ABT 745	Industrial Applications in Regulatory Affairs	
<b>Total Credits</b>		<b>9</b>

## Admission Requirements

This certificate is only available to students who are enrolled in the Applied Biotechnology master's program. Students who wish to earn this certificate should complete the Graduate Certificate Declare Form (<https://www.uwgb.edu/graduate/student-resources/forms/>).

### Progress to Completion

1. Candidate applies to this certificate program by submitting the appropriate materials.
2. Candidate is admitted to the certificate program by the UWGB Program Chair.
3. Student fulfills the program course requirements.
4. Students completing a graduate degree program at UWGB will have the certificate posted to their transcripts upon conferral of their graduate degree.

NOTE: Graduate students who are already admitted to a degree program who wish to be enrolled in a certificate aligned with the degree are able to submit a Graduate Certificate Declaration form (<https://www.uwgb.edu/graduate/student-resources/forms/>) in lieu of this admission process (steps 1 and 2 above).
