

Transfer to UW-Green Bay

Admission as a transfer student to a graduate program follows the standard admission process. Transfer credit is defined as credit earned at an institution other than UW-Green Bay that is to be applied toward a UW-Green Bay graduate degree program. Acceptance of transfer credits is determined by the student's Graduate Advisor or Graduate Faculty Committee and subject to review and approval by the Office of Graduate Studies (see academic transfer policy) (<https://catalog.uwgb.edu/graduate/general-information/academic-rules-regulations/transfer-policy/>).
